Who We Are

Corsano Academy is a Christ-centered school in Omaha, Nebraska. We value not only the mind of the child but the body of the child as well and want to guarantee that that children are healthy in mind, body, and soul. We believe that children should learn in a way that excites the mind and includes the body and want to bring about a better education for the children in Omaha.

Our logo includes a dove to represent new beginnings as in the Biblical story of the flood. Behind the dove is the Seed of Life to represent our connection to God. The purple circle is placed at the top of our logo to emphasize the value we place on spirituality.
